INTERNSHIP OFFER LETTER

Date: 13-05-2026

Dear Ratish G T,

We are pleased to offer you an internship opportunity with **Cybernaut Ed Tech Private Limited** as a **Python Project Intern**. This internship will commence on **18-05-2026** and conclude on **20-08-2026**.

During the internship, you will work on Python-based projects and assignments that contribute to the company's development initiatives. You are expected to maintain professionalism and adhere to the company's code of conduct throughout the internship.

The Internship will cover the following monthly topics:

- **Month 1:** Web Scraping
- **Month 2:** Machine Learning
- **Month 3:** Flask and Django

We look forward to having you as part of our team.

Authorized Signatory,

Sangamitra V
